

Clergy Candidates for 2020 General and jurisdictional Conferences

Please use the following Clergy Candidates lists to select the clergy candidates you wish to vote for General (11 delegates) and jurisdictional (11 delegates) conference delegates (plus 5 alternates). It is recommended that you select the names and four-digit numbers of those candidates before the opening session of annual conference on Tuesday, June 11, so you are prepared to vote on the first ballot.

There are two lists. The first is the list of those clergy that self-nominated for election as delegates. The second list contains all eligible clergy candidates.

There are clergy with many similar or duplicate sounding names. Please reference the Clergy Locator if you have questions regarding the identify of clergy, at <https://www.ngumc.org/clergy>.
