

**UM Global AIDS Fund & the North Georgia Camps and Retreats:** These two ministries, addressing uniquely different aspects of children's health, join together for this year's Bishop's Annual Conference offering.

## About Just Save One

Vaccination Program

If you could save just one person's life, would you do it? Part of the United Methodist Global AIDS Fund, Just Save One is an initiative to eradicate HIV by 2020. For the next year, UMGAF is intensifying its work of prevention of mother to child transmission of HIV and AIDS. Even a small gift can make a big difference. It costs less than \$10 to prevent transmission of HIV from a mother to a child; and just \$1 provides needed nutrients for an AIDS orphan.

Growing Christian Leaders in 30

conference locations

What does it take to nurture Christian leadership? Awareness of one's gifts and a safe place to practice leadership in real live ministry settings. ELI, the Experiential Leadership Institute, creates such an environment for rising high school juniors and seniors in its sister program, Grow Day Camps. ELI participants learn about their gifts for leadership in an intense week-long training and then practice with daily feedback in one or more weeks serving as day camp counselors. Help launch this new ministry and cause young Christian leaders to "thrive" for the church and the world...
