

## Generous Quietude

Carry a little quiet inside you  
while the world continues  
in rush and rage  
fighting and frenzy.  
Carry a little quiet inside you  
so that the worry and war  
trouble and tumult  
do not capture you in their grip.

Tarry in the Sun-filled meadow of the heart  
beside the still waters  
where God's Spirit refreshes and renews.

Carry so much quiet inside you  
that you have some extra calm  
to share with me.
