MORE AREA ACTIVITIES

Methodist Museum Tour: Because a tour of the Arthur J. Moore Methodist Museum is not included in the schedule, churches will have the opportunity to sign up for 30-minute tours for 40 people each offered during free time on Saturday.

Fort Frederica: Admission is \$5 per vehicle. Fort Frederica is where Charles Wesley came with Oglethorpe to found the town and fort. Wesley was Oglethorpe's secretary and the Anglican (Church of England) minister. When he left, John Wesley would come down from Savannah to preach.

Wesley Gardens: A 2-acre garden with a large Celtic cross at the center as a monument to the Wesley brothers (John and Charles).

Christ Church: This congregation (not the building) claims its heritage back to the congregation Charles Wesley began at Fort Frederica. Contains historic cemetery with graves of many people who settled St. Simons Island.

Pier, Lighthouse, and Village Area: Here you will find a playground, shops, Neptune Park, lighthouse and museum, putt-putt golf, whale sculpture, and the beautiful surroundings of the ocean. The Visitor's Center is also located in this area.

The Beach: Public access is located at the Old Coast Guard Station.

Silent Auction

Silent Auction bidding will begin during the Friday evening activities and will conclude Saturday evening. Auction announcements and payments will be at 8:45 p.m. on Saturday.
