Dear Mr. Yoder:

On behalf of our great state of Georgia, and all the families and individuals affected by the tornadoes that impacted our state in April, please accept my sincere appreciation the support, generosity and compassion you provided to assist in our response and recovery efforts. Your assistance and dedication in helping with the response and recovery from these devastating storms will always be remembered.

Those affected by these record breaking tornadoes continue to express their appreciation for the professionalism and assistance that you provided throughout the entire event. You are very special to the individuals and communities impacted by this disaster. While some may remember your name and your specific contribution, others will remember the overall kindness and compassion shown by so many neighbors and friends, and even strangers from far away.

Thank you so much for your generous efforts. On behalf of all Georgians, I am grateful for your assistance.

Sincerely,

Nathan Deal
